

# Food for thought:

Jobs in every community...

Every state. Every district.  
That's what the restaurant industry provides.  
Collectively, we're **13 million jobs** strong.

When you support restaurants, you support jobs  
in your hometown.

Support America's Restaurants.

**America Works Here**<sup>SM</sup>

To see how many restaurant jobs are in your state, visit [Restaurant.org/AmericaWorksHere](http://Restaurant.org/AmericaWorksHere)
