Suzanne is the daughter of famed chef Horst Mager, German immigrant and founder of The Rheinlander Restaurant in Portland. From folding napkins as a little girl to owning and managing three Portland-area German-concept restaurants, Suzanne Mager has literally grown up within the restaurant business.

A cornerstone of careers, community and the nation's economy, the restaurant industry offers Oregonians the opportunity to build a career and to live their dream. In fact, the hospitality and tourism industry offers more growth opportunities for minorities and women than any other industry.
