## Generating a Restaurant Revitalization Fund Report

This document describes how to generate a Restaurant Revitalization Fund report that lists total itemized receipts for a selected year.

1. In the Admin Console's Main Menu, select the desired Account, then click **Reports**.
2. Click **Restaurant Revitalization** Report.

3. To print the report, click **Print** and select an available printer. **OR** to export the report's data, click **Export**, then select a format.
